**CRACK THE CODE: CRYPTOGRAM**

Our Cryptogram is a letter substitution puzzle. One letter is substituted for another. As you work out each letter, write it in the box below wherever it occurs. Single letters will almost invariably be 'A' or 'I'. Keep an eye out for common words, such as 'THE', 'AND', 'TO', and 'IT'. Double letters and contractions can also give you a starting point. Can you crack the code to work out this quote by Henry Wadsworth Longfellow?

**SOLUTION**

EACH MORNING SEES SOME TASK BEGUN, EACH EVENING SEES IT CLOSE; SOMETHING ATTEMPTED, SOMETHING DONE, HAS EARNED A NIGHT'S REPOSE.
